Destination Canada's **Canadian Signature Experiences (CSE)** are a collection of once-in-a-lifetime travel experiences found only in Canada.

Experiences are the new 'currency' that differentiates tourism businesses and destinations around the world. They are expanding the ways travellers can engage with people, places and cultures. Highlighting some of the country's most innovative products for international visitors, CSEs show the world what Canada's tourism brand is all about.

## NORTHERN ONTARIO'S UNIQUE TRAVEL EXPERIENCES

### ONTARIO SIGNATURE EXPERIENCES

Destination Ontario launched **Ontario Signature Experiences (OSE)** to promote and market must-see travel experiences that will appeal to global target markets. The OSE program is designed to showcase the best and most unique tourism experiences in the province that will motivate more people to visit Ontario.

The OSE is linked with the Canadian Signature Experiences Collection (CSE), managed by Destination Canada, in order to both act as a stepping stone for Ontario tourism operators who aspire to be included in Canada's international marketing and to highlight the diversity of Ontario experiences.
